Remembrance of Life Planning Guide

*“Blessed are those who mourn,
for they will be comforted”*

-MATTHEW 5:4

To Our Beloved Families,

These are unprecedented and uncertain times that we've all found ourselves in. We understand how difficult it is for our families who are suffering the loss of a loved one during this pandemic and not being able to celebrate their life during the current restrictions.

As Christians, we must carry life's crosses and bear incredible loss with hope in our hearts. We must gaze upon our deceased loved ones and remember that "*God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life*" (John 3:16)

This guide is designed to assist our families in the process of planning a meaningful service for your loved one as soon as the current restrictions have been lifted.

Our thoughts and prayers are always with you!

Memorialization

Each Memorial is as Unique as the Life it is Celebrating

Memorialization is an important step in remembering the life of a loved one. People are unique – No one has walked in their shoes, seen what they’ve seen, or experienced the life they’ve lived. A memorial helps preserve those precious memories forever.
